THE STORY SO FAR
The dwarf Hop-Frog's wonderful machine has reduced all persons over four feet to two inches—find their size. Caligari the luckless midget, remains 16 inches; Ave, his beloved Ave is now two inches, a Tiny People. Ave in pocket, Caligari seeks Professor Murayev but finds instead Hop Frog; together they go to Dwarf's Central

Zoppoloti behaved very strange today
he admitted to listlessness, stunted growth, a bad complexion and hairy palms
what?!
symptoms, says Zoppoloti, of bad breath
talk slower
a bad breath caused, says Mr. Z, not by onions but by verbal diarrhea
